INCONSISTENT/NEVER

Attitude of Consistent Condom User

PREPARING ASIA

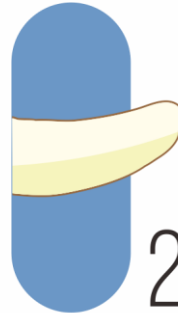

72%

AWARE
of **PrEP**

66%

WILL
take **PrEP**

23%

WON'T
use **CONDOM**
if on **PrEP**

Attitude of inconsistent condom user and those who never use condom

*not including those who are in monogamous relationship

PREPARING ASIA

Reasons to be uninterested to take PrEP

I use **other prevention** method.

I **don't think** I am at risk.

I **don't know where** to get PrEP.

Expected Challenges in taking PrEP

PREPARING ASIA

getting the
pills

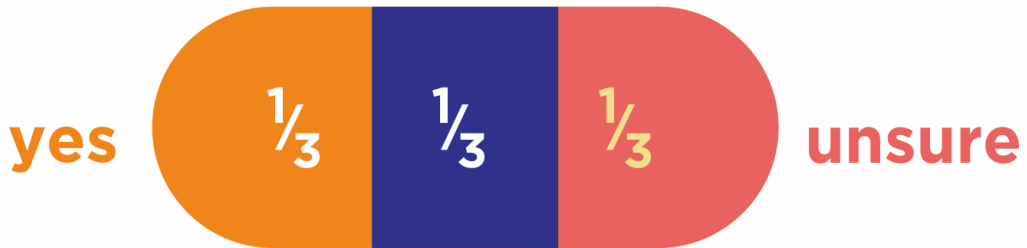

paying for the
pills

facing the
side effects

Attitude towards non-daily take of PrEP

*Taking two pills before sex, one pill 24hours after the sex and another pill 48 hours later

no,
I will still
take it daily
